TANGO[®]

A Division of  **BHN**

Hello there,

As part of our integration with BHN, Tango Card, Inc. is in the process of surrendering its money transmission licenses and therefore is assigning all regulated money transmission aspects of your contract to affiliate Blackhawk Network California, Inc. (“BHN California”).

BHN California is a licensed money transmitter in 49 states and will continue to use Tango as an Authorized Delegate for all of your current products and services. **There is no action required from you at this time, and we do not anticipate any interruptions to your Tango service.**

This transition is happening on a state-by-state basis, so the effective date of the assignment will vary. The process will begin November 1 in most states, and we anticipate it will be complete by the end of the year.

To check if Tango has begun acting as an Authorized Delegate of BHN California in your state, please visit [our licenses page](#). Discover more information on BHN California’s licenses [here](#).

If you have any questions, please reach out to licensing@tangocard.com.

All the best,
The Tango team
